

INSPIRE EXCELLENCE INTERNSHIP PROGRAM

PJS Group’s “Inspire Excellence Internship Program” is a way for us to nurture the young minds of the construction industry, to facilitate networking, and to attract new talent. We believe that by working with up-and-coming industry professionals, both PJS Group and our interns have an opportunity to learn, innovate, and collaborate.

Our interns are important members of our team who make meaningful contributions to our work by bringing fresh ideas and a new energy to us every day. Many of our interns have joined our team after graduation.
